November 27, 2011 - BC Snowboard Association is pleased to invite all eligible snowboard athletes to an open try-out for the Provincial Development Program on:

December 4 at Mount Seymour Ski Area
December 10 at Big White Ski Resort

The Provincial Snowboard Program offers support to competitive snowboarders at Regional, Provincial and National Development levels.

The Provincial Development Teams train 5 months a year on snow plus 2 months of pre-season dryland. The Program is designed for younger riders aged 13 to 18 who have some competitive experience. The Development Teams train in two areas of the Province; in the Lower Mainland and the Okanagan.

In order to attend the selection process, athletes must be at least 13 years of age, have some competitive experience and hold a BC Snowboard membership (can be purchased online or at the Selection Camp).

The ideal candidate will be:

- Athletic and competitive oriented and be looking to improve and fine tune their snowboard skills
- Interested in competing at a Provincial level
- Experienced in competing locally
- Dedicated to training both on the snow and off

There is no coaching cost to the participants for the Selection Camp however it would be appreciated if participating athletes pre-register with the appropriate coach:

BC Snowboard Association (BC Snowboard) is a non-profit sport organization, which is the governing body of snowboarding within the Province. BC Snowboard is an organization that brings youth into a fun and supported environment while competing in a sport they love. Up and coming National Team riders and future pro athletes are bred through the BC Snowboard Association and its programs.
