

Canada West Ski Areas Association (CWSAA)
All Areas Competitor Pass Distribution Policy (2018-2019)
Provisional as of: December 15, 2017

1. Introduction

BC Snowboard Association receives an annual allocation of All Areas Competitor Passes from Canada West Ski Areas Association (CWSAA) for distribution to BC Snowboard athletes who are developing their competitive snowboarding skills.

CWSAA believes that deserving young Ski and Snowboard athletes should be given all the support possible to reach their goal to one day represent Canada in Olympic Games, World Championships or World Cups. For this reason CWSAA created the ALL AREAS COMPETITORS PASS to facilitate eligible athletes access to western Canada's Ski and Snowboard Resorts for the purpose of training and competition. All athletes must understand that the use of the Competitor Pass is a privilege that carries with it the responsibility to represent their respective Sports Discipline in a sportsman-like fashion showing leadership to their fellow athletes.

CWSAA has provided BC Snowboard with the authority to distribute CWSAA All Areas Passes to BC Snowboard athletes and coaches.

2. Policy

BC Snowboard Association distributes the All Areas Competitor Passes to BC athletes and coaches in a fair and equitable fashion and in accordance with the CWSAA All Areas Competitor pass Qualifications and Guidelines.

The BC Snowboard Canada West Ski Areas Association (CWSAA) All Areas Competitor Pass Distribution Policy is designed to assist qualified competitive BC Snowboard members who compete in FIS disciplines.

In the event of a tie of FIS points or ranking, that tie will be broken by the best individual score used to arrive at the total points creating the tie.

5. Accountability

BC Snowboard reserves the right to request an updated CWSAA Competitors Pass Report during the season to ensure that the athlete is actively training and competing.

The purpose of the Report is to ensure that the Competitor Pass is being used for its intended purpose. Failure to complete the Report will result in Pass cancellation and ineligibility in the future.
