

Panorama SBX Camp

January 10 – 19, 2019

SBX CAMP at Panorama, BC

BC Snowboard is offering a SBX Camp from January 10-19, 2019 at Panorama Mountain Resort.

The Camp will be held on the Course from the Speed Nation NorAm (January 7-9, 2019), modified as agreed to by the resort, builders and coaches of athletes attending the Camp. As well as the full track we will be looking to build separate start sections and features for additional options for training. The goal of the camp is to provide a High Performance training environment that will help prepare the athletes for the remainder of the NorAm Tour or World Snowboard Championships.

Nick Roma and Steven Morrison from the Mountain Projects Co. will be designing and building the Speed Nation NorAm SBX and will be responsible to adjust for the training camp with feedback from coaches and athletes to ensure a High Performance training environment.

It is not mandatory for the athletes participating in the Camp to have been registered for the NorAm events.

It is mandatory that all participating athletes have coaches attending the Camp.
