--

1. INTRODUCTION

BC Snowboard Association receives an annual allocation of All Areas Competitor Passes from Canada West Ski Areas Association (CWSAA) for distribution to BC Snowboard athletes who are developing their competitive snowboarding skills and meet the required criteria.

Canada West Ski Areas Association believes that deserving young Ski and Snowboard athletes should be given all the support possible to reach their goal to one day represent Canada in Olympic and Paralympic Games, World Championships or World Cups. For this reason, CWSAA created the All Areas Competitor Pass to facilitate eligible athletes' access to western Canada's Ski and Snowboard Resorts for the purpose of training and competition.

All athletes must understand that the use of the Competitor Pass is a privilege that carries with it the responsibility to represent their respective Sports Discipline in a sportsman-like fashion showing leadership to their fellow athletes.

CWSAA has provided BC Snowboard with the authority to distribute CWSAA All Areas Passes to BC Snowboard athletes and coaches.

2. POLICY
