

RE: Coaching Opportunities – 2026/27 Season
The Coast Club, Mt Washington, Vancouver Island

Hello,

The Coast Club, based out of Mt Washington on beautiful central Vancouver Island, is currently building our coaching team for the 2026/27 snowboard season and we are looking to connect with potential coaches who may be a good fit for our program.

We are a competitive development snowboard club with approximately 15-20 athletes, focused on building strong foundational riders while creating opportunities for progression into competitions and higher-level riding. Our goal is to grow the program in a structured and sustainable way.

For the upcoming season (November 15, 2026 – April 1, 2027), we are looking for:

Head Coach (1 position)

- CASI Level 2 preferred (or strong Level 1 with relevant experience)
- Experience working with youth and/or freestyle/competitive environments
- Ability to lead program structure, support athlete development, and coordinate assistant coaches
- Interest in continuing to grow within coaching pathways

Assistant Coaches (2 positions)

- CASI Level 1 or higher
- Strong riding ability and interest in coaching
- Reliable, positive, and coachable
- Willingness to support athlete progression and assist at camps and competitions

Program Overview:

- Weekend training at Mt Washington throughout the season
- Approximately 2-3 in-season training camps (e.g., Mt Washington, Whistler, Silver Star, Sun Peaks)
- Participation in up to 3 competitions
- Potential for 1-2 off-season training camps
- Potential Friday training days (minimum enrollment required)
- Occasional mid-week travel may be required (with advance notice)

Compensation and Benefits

- Starting wage is \$20/hour minimum, with higher rates based on experience and certifications.
- Required travel days are paid, with approved expenses, accommodations, food allowance, and lift passes covered by the club.
- The Coast Club will also reimburse approved coaching certifications completed while employed with us.

We are particularly interested in individuals who are passionate about working with youth, enjoy being part of a growing program, and are interested in developing their coaching skills over time.

If you or someone in your network may be interested, we would love to connect and share more details.

Please feel free to reply directly or pass this along to anyone who might be a good fit.

Thank you,

Jennifer Smith
